

Let's Learn Spanish ~ ¡Aprendamos Español!

The Andersen DEANs are pleased to announce a new Spanish program!

Academic Spanish for 5th and 6th graders

Get a jump start in Spanish before Junior High School!

This is a pilot program designed for upper graders who are interested in studying basic Spanish grammar, vocabulary and conversation in preparation for junior high school Spanish. The program will be fun and interactive, yet academic. It will include learning parts of speech, verb conjugations, the alphabet, vocabulary lists, homework and some quizzes. We will explore literature in Spanish and learn about geography and culture. No Spanish experience necessary, but serious students only, please.

Classes will be taught by Kimberly Wells and Araceli Justiniani, both experienced bilingual educators and teachers of our afterschool Spanish program.

When? ¿Cuándo? Thursday mornings, Sept. 30th - December 16th, 7:05 - 7:55 am in the Andersen Spanish room.
