

## PLEASE JOIN THE DEANS

The DEANS vision:

“To provide the best education for our kids by providing resources that otherwise would not be provided by the district like: technology, capital improvements, additional teaching specialist and aides that lower the student to teacher ratios.”

The DEANS donated over **\$400,000** to Andersen Elementary last year!

**2011/2012 Fundraising Goal: \$450,000**

**We will spend \$750 for each child at Andersen Elementary School.**

Your participation is essential to make this happen.

Please come to the DEANS meeting- the 3rd Thursday each month @ 7:00 p.m., Phase II Clubhouse at 1900 Port Carlow Place and give your input.
